 - (c) hold the appropriate accreditation; and
 - (d) are financial with Football SA.
- (3) Match Officials will be registered with Football SA from 1 January to 31 December of each year.
- (4) The Match Official must be financial with Football SA to be eligible for registration.

73. Disciplinary and Grievance Provisions

Football SA will follow the FFA National Disciplinary Regulations, Football SA Grievance and Disciplinary and the Football SA Rules and Regulations.

74. Mandatory Match Suspensions for Minor Infringements

- (1) A player must serve a mandatory match suspension when he or she accumulates the following number of yellow card minor infringements during the course of the home and away league season or as determined by Football SA

<u>Number of Minor Infringements</u>	<u>Period of Suspension</u>
5 cautions	one match
8 cautions	one match
11 cautions	one match
14 cautions	one match
17 cautions	one match

Fines shall apply to clubs for players that accumulate a number of Yellow Cards Minor Infringements during the season.

Penalty: Fine \$25.00 for 5, 8, 11, 14 and 17 Cautions.

A player that receives 17 cautions in the competition will be referred to the Football SA Disciplinary Committee.

(2) Minor infringement yellow cards received during the Football SA Cup Competition, Football SA Finals Series, or any other Football SA sanctioned event shall be recorded separately. Refer to the appropriate rules of each event.

(3) Any mandatory match suspension gained due to the accumulation of yellow cards is to be served in the competition in which the accumulation occurred.

A player is eligible to play the day after the suspension has been served.

For the avoidance of doubt if the suspension is being served in the League Competition, the player must serve the suspension in the League Competition in which they gained the highest number of accumulated yellow cards. If the yellow cards are accumulated evenly across grades, the suspension will be served in the grade that the player gained their last accumulated yellow card.

(4) If a player receives two (2) yellow cards during the same game, a red card will be issued.

Penalty: One match suspension - \$50.00 fine

(5) If a player receives two (2) yellow cards during the same match and therefore receives a red card, the two (2) yellow cards are expunged from his or her record.

(6) If a player receives one (1) yellow card and then one (1) red card in the same match, the yellow card will not be expunged and will be counted in the player's accumulation of yellow cards.

(7) A player who receives a mandatory suspension in a Friendly, must serve that suspension in the next Friendly. A player who receives a match suspension in addition to a mandatory match suspension for an offence that occurs in a Friendly may be directed by the Competition Administrator to serve the suspension in the next official match(es) in which his or her club participates in rather than the next Friendly.

(8) A match suspension means a ban from taking part in a match or from attending the area immediately surrounding the field of play.

(9) The accumulation of yellow cards will be reset at the end of the last match of the pre-season, the League Competition and any final series respectively. This means that yellow cards accumulated in the pre-season competition do not carry over to the League Competition and yellow cards accumulated in a League Competition do not carry over to the final series. Match suspensions incurred as a result of the accumulation of yellow cards will not however be cancelled. Any variation on the resetting of yellow cards may be outlined in the relevant Competition Operations Regulations accessed [here](#).

(10) Each club shall keep a record of their players' yellow and red cards. All clubs are responsible for ensuring a suspended player is not played.

(11) The Competition Administrator shall send a Disciplinary Infringement Notice to the club stipulating the name of the player that has received the mandatory match suspension for the minor infringement within two (2) business days, where possible, following the alleged incident.

(12) If a Competition Administrator has determined in accordance with the National Disciplinary Regulations that an Offence by a Participant was such as to warrant a sanction in addition to the

mandatory match suspension, the Competition Administrator will send a Disciplinary Infringement Notice notifying the club of the details of the Offence and of the disciplinary sanction imposed.

- (13) Where a suspension is to be served in terms of matches, only those matches actually played count towards the suspension being served. If a match is abandoned, cancelled or forfeited, a suspension is only considered to be served if the team to which the suspended player belongs to is not responsible for the fact that led to the abandonment, cancellation or forfeiture of the game.
- (14) Competition Operating Regulations may stipulate slight variations to the calculation of accumulated yellow cards consistent with the number of yellow card accumulations outlined above.

75. Expulsion of Team Official

- (1) A Team Official must serve a mandatory match suspension when he or she accumulates the following number of yellow cards during the course of the home and away league season or as determined by Football SA

Penalty: Fine \$25.00 for 5, 8, 11, 14 and 17 Cautions.

A Team Official that receives 17 cautions in the competition will be referred to the FOOTBALL SA Disciplinary Committee.

- (2) A Match Official may take action against Team Officials as per the FFA regulations who fail to conduct themselves in a responsible manner and may expel the Team Official from the field of play and it's immediate surroundings, including the technical areas.
- (3) If a team official is expelled, the team official must move directly away from the playing field and its surrounds including the technical area. If available, the official should go directly to the teams changing room or grandstand.
- (4) A Team official who has been expelled from the field of play by the Match Official must serve a minimum mandatory one (1) match suspension.

2nd occasion	equates to a two (2) match suspension
3rd occasion	equates to a three (3) match suspension

- (3) A club may only appeal a red card that has been issued to a player where clearly there must have been a wrong decision (such as a right decision against the wrong player, mistaken identity) and it must not have been a discretionary decision by a referee as to whether an action was a foul or red card.
- (4) The Competition Administrator shall send a Disciplinary Infringement Notice notifying the relevant club of the player or team officials mandatory match suspension for major infringement following the alleged incident.
- (5) Where a suspension is to be served in terms of matches, only those matches actually played count towards the suspension being served. If a match is abandoned, cancelled or forfeited, a suspension is only considered to be served if the team to which the suspended player belongs is not responsible for the fact that led to the abandonment, cancellation or forfeiture of the game.
