JOINT MESSAGE FROM THE PRESIDENT AND CEO

SAM **CICCARELLO**

MICHAEL **CARTER**

As we look back to 2020, the football community can be proud of many achievements in the face of uncertain times. The Football community was guided by many outstanding leaders at club and association level. This leadership resulted in the football community rebounding strongly to complete in many cases a full (or close to full) season.

Players are also to be commended for their passion, commitment, and love for the game. The forced shut down illustrated to many how much the game means to them and this resulted in participant numbers all but returning to 2019 levels, which is quite a remarkable achievement.

Football in South Australia has some exciting times ahead and we will soon hear about South Australia's bid to host games for the 2023 FIFA Women's World Cup. South Australia's bid was prepared around the state's vision to provide a lasting legacy for football and women in sport, with a focus on profound change for women's football and sport more broadly. The Board of Directors have established a Women's World Cup Legacy Committee who have the responsibility to develop and recommend the implementation of a Football SA Women's World Cup 2023 Legacy Plan, which will deliver results and provide tangible outcomes for the South Australian football community beyond the 2023 event.

Construction has officially commenced at the State Centre for Football, Gepps Cross and this development will present a significant opportunity for the game. The Richardson Reserve Development is progressing well as is the Regency Oval development for Croydon FC. Participation at the Mount Barker Regional Football Centre has commenced, and the venue is a great addition to a growing list of quality venues in the state.

Season 2021 will see Football SA partner with Football NSW and QLD to house our NPL and WNPL games on NPL.TV and this will improve the accessibility of our games via a mobile application. Further, we will expand our number of live streamed games to include State League 1.

From a commercial point of view, the game welcomes back SA Power Networks who have become an official partner of Women's Football in the state and will have significant presence at the State Centre for Football. RAA have agreed to become naming rights sponsor of the NPL for the 2021 season and we thank RAA for their continued support of the local game. Football SA are fortunate to have a growing list of partners who support the local game, and we encourage the entire football community to support partners where possible.

The success of our sport and the opportunities that it provides would not be possible without the contribution of countless volunteers, families, parents and sponsors and their energy, generosity, and devotion to our beautiful game. We would also like to acknowledge the tireless contributions of all the Board members and that of the Football SA Members and Standing Committees who carry the responsibility for the governance of our sport, together with the staff of Football SA.

On behalf of Football SA, we wish all clubs and associations a productive and successful 2021 Season.
