

## COVID-19 CHECKLIST – FOR ALL COMPETITIONS

With the return of competitions pending, it is timely to remind all clubs and associations of their responsibilities regarding COVID-19.

### Important Note:

\***No person** should attend games if in the past 14 days they have:

- been unwell or had any flu-like symptoms.
- been in contact with a known or suspected case of COVID-19.
- any respiratory symptoms (even if mild).

### GENERAL REQUIREMENTS

- Number of people at a club's venue is in accordance with the Club's SA Gov COVID-19 Safe Plan.
- All clubs should have a mechanism for contact tracing – via QR Code.
- The host club is required to provide a COVID Marshal
  - if there is less than 200 people this can be part of another role undertaken by the person or
  - if there are 200 or more people, there needs to be a dedicated COVID Marshal.
  - for more details relating to COVID Marshals click [here](#).
  - **COVID Marshal Vests are available from Football SA.**
- All venues must provide hand sanitiser in prominent areas of the venue including changing rooms, club rooms, and entry points. **Hand sanitizer is available from Football SA.**
- All venues must ensure soap dispensers in toilets are provided and maintained.
- Social distancing to be promoted by the club – signage and PA Announcements.
- All players must have their own drink bottle, no sharing of drink bottles.
- All players to provide their own recovery food such as at half-time oranges, lollies.
- Instead of shaking hands, participants are encouraged to use an alternative form of acknowledgement such as fist tapping.
- Each team is to nominate one person that is responsible for the Team Sheet.
  - This person will be responsible for completing the team sheet, printing it and providing it to the Match Official.
  - The same person is to sign the team sheet at the completion of the game.
  - Each person signing the team sheet must use their own pen, no sharing of pens is to occur.
- Clubs to continue to promote general hygiene – washing hands, use of hand sanitiser, cover mouth with tissue or elbow when sneezing or coughing.
