## WOMEN'S NATIONAL PREMIER LEAGUE SA PLAYER POINTS SYSTEM (PPS)

The objectives of the PPS are to:

- Provide greater opportunities to Australian Players.
- Promote a focus on the importance of youth development.
- Incentivise older and more experienced Players to remain in the WNPL.
- Promote Players through the Club youth development structures.
- Increase the stability of Club Player Rosters.
- Maintain competitive balance and parity amongst the Clubs.
- Incentivise Players progressing through to national elite pathway teams (**National Elite Pathway Team**) to return to their original WNPL Clubs; and
- Reward Clubs who develop Players that progress through to a National Elite Pathway Team.

The PPS encourages Clubs to simultaneously promote youth development and encourage players 25 years of age + to continue in the sport.

The PPS points cap (**Points Cap**) applies to each WNPL Club's First Team Player Roster (**Player Roster**) and this First Team is required to remain within the Points Cap.

The Points Cap for the 2022 season will be set at 200 points

Each Player is, as a starting point, attributed a points value of 10 points, after which the points value is adjusted depending on certain characteristics which result in points being added to or deducted from the Player's points value. A Player's points value cannot be less than 0 points.

Promoting Players from the Club's Age-Eligible Teams (e.g. U15 and U17 teams) and Reserve Team is permitted without restrictions.

A National Elite Pathway Team is a team which participates in the National Elite Pathway, as determined by the Football Australia Technical Department and the Member Federations from time to time. Points are credited for the movement of Players through the National Elite Pathway.

For the purposes of the PPS, a team is a National Elite Pathway Team if they are one of the following:

#### First Team Player Roster

Is the roster of Players for a Club's First Team maintained in accordance with the Player Points System and any other WNPL competition regulations provided by Football SA.

#### Points Total

Is the sum of all points attributed to all Players on a Club's Player Roster at any given time.

### Explanatory Notes

#### Player Roster Requirements

- At all times during a WNPL season, a Club must include a minimum of 18 Players on its Player Roster and may include a maximum of 23 Players on its Player Roster.  
A Club may promote a Player from its Age-Eligible Teams, Community Women's and/ or Reserve Team to play for its First Team without the player being included on the roster.
  - Any Player from the club's reserve and community women's team may play for its first team up to a maximum of eight (8) matches throughout a WNPL season without being required to include the Player on the Player Roster.
  - For the Player to be eligible to play in more than eight (8) matches in the WNPL season, the Player must be included on the Club's Player Roster (and therefore at that point included in the Club's Points Cap).
  - To clarify a player may be promoted from the Clubs Community and/or Reserves teams and participate in eight (8) WNPL without having to be placed on the PPS. If the club wants the player to play a ninth game, they must be placed on the PPS during the PPS Windows.

- No more than two Visa Players may be listed on the PPS.
- Player Movement Rulings in accordance with the Competition Rules and Regulations will still apply.
- The player must enter the field of play to be deemed to have played in the match.

### **Homegrown Player**

- Example: For a Player who was registered for the Club in the U11s and U13s but was not registered with the Club in the U15s-U17s, a total of two points will be deducted from her points value for the current season.
- A Player is eligible for Homegrown Player points at the same time as being eligible for Loyalty Player points.

### **Loyalty Player**

- Example: A Player is registered with a WNPL Club’s First Team in 2019, 2020 and 2021 (continuous seasons). If they also registered in 2022, they will be eligible to receive a deduction of one point as a Loyalty Player in the 2022 season.
- If a Player is not registered with any Club for a season and subsequently returns to their WNPL Club, the number of continuous seasons of registering for that WNPL Club will be deemed to be continuous.

Example: A Player was registered with the same WNPL Club in 2018, 2019 and 2020 (continuous seasons), however was not registered with any Club in 2021. If the Player registers with the same WNPL Club in 2022, it will be deemed to be their fourth continuous season with the Club and a deduction of one point will be allocated.

- Should a Player move into a National Elite Pathway Team, the determination of the continuous seasons of service will not be deemed to have ceased if they return to their previous WNPL Club. During the Player’s time in the National Elite Pathway Team, the calculation of continuous seasons of service will be suspended.

### Switching Player

- This category only applies where a Player registers for a new Club.
- The definition of played means taking the field of play (ie. part of the starting eleven or taking the field as a substitute).
- Switching Player points also apply for mid-season registrations and transfers.

### Pathway Player

- A Player who departs a WNPL Club for a National Elite Pathway Team and returns to the same WNPL Club will be classified as a Pathway Player provided the Player has remained within the National Elite Pathway for the duration of their absence from the relevant WNPL Club and has not registered and played with another WNPL Club.

### Points Deduction– Youth Player Advancement

Example: A WNPL Club has an U13 team Player and an U15 team Player signed this season by a National Elite Pathway Team. The WNPL Club can choose to have:

- (a) six points deducted (-6 points) from this season's Points Total
- (b) three points deducted (-3 points) from this season's and next season's Points Total, or
- (c) six points deducted (-6 points) from next season's Points Total.

### Points Deduction – First Team Player Advancement

Example: A WNPL Club has two First Team Players signed this season by a National Elite Pathway Team. The WNPL Club can choose to have:

- (a) sixteen points deducted (-16 points) from this season's Points Total
- (b) eight points deducted (-8 points) from this season's and next season's Points Total, or
- (c) sixteen points deducted (-16 points) from next season's Points Total.
