

FOOTBALL SOUTH AUSTRALIA

FEDERATION CUP FINALS

2023

SATURDAY JUNE 24, SERVICEFM STADIUM

WELCOME

MESSAGE FROM THE CEO

On behalf of Football South Australia, I would like to extend a warm welcome to all clubs, officials, players and spectators to ServiceFM Stadium and the 2023 Federation Cup Final Day.

The success of football in South Australia and the growing opportunities that it provides to kids and adults of all ages would not be possible without the ongoing support from our corporate partners, our clubs and associations, our match officials, the Board and associated committees, and of course, the dedicated volunteers who are the lifeblood of the day-to-day running of our beautiful game.

This year's Federation Cup Final day will see enthralling matchups across the Under 18's, Reserves and Senior levels within the one-day format, with all teams having the chance to showcase their skills and grit on the superb show pitch overlooked by the grandstand and function room of ServiceFM Stadium.

This year's senior final replicates the current top two teams of the RAANPLSA season proper. MetroStars will be looking to break their silverware drought, having not lifted a trophy since their last Federation Cup final win in 2017. Whilst, Campbelltown City will be looking to start their celebrations early, hoping to take home the Champions title in both the Senior and Under 18 finals on the same night their club is celebrating their 60th anniversary milestone. We also congratulate both teams, Campbelltown City and MetroStars, for making it through to the Australia Cup Round of 32.

Adelaide United FC again feature in the Reserves Federation Cup Final after their triumphant 5-0 victory in 2022, this time facing Modbury Jets. The Under 18's Federation Cup Final also sees the return of familiar faces hoping for back-to-back glory as Football SA NTC look to expand on their 3-2 2022 win against new opponents, Campbelltown City.

On behalf of the Football SA Board, Management, and Staff, I hope you enjoy what is sure to be a great day of Cup Final football in what is an exciting time for football here in Adelaide

FEDERATION CUP FINALS 2023

PISCIONERI AND CAMPBELLTOWN CITY EYEING THE MISSING TROPHY IN THEIR DECADE LONG COLLECTION

Since Campbelltown City won the 2013 NPL SA Championship, they have been expected to continue collecting such honours. The Red Devils have been one of South Australia's premier sides in winning silverware over the past decade, with two premierships, five championships, and even one national NPL championship. But one trophy has evaded the Newton-based juggernaut.

The last time Campbelltown reached the Federation Cup Final was in 2009. That was long enough, and to find the last time they were victorious on the big day, you have to go back to 1994 when the Red Devils downed Salisbury United 3-0.

Midfielder Adam Piscioneri has been an essential part of Campbelltown's senior squad during the club's dominant last decade. But he has never appeared in a Federation Cup Final.

ANTONIS PAGONIS

ADAM PISCIONERI IN ACTION AGAINST FELLOW FEDERATION CUP FINALIST METROSTARS IN THE 2023 NPL SA SEASON. (KEN CARTER)

"WE HAVEN'T WON THE CUP SINCE I'VE BEEN AROUND. IT IS THE 60TH YEAR ANNIVERSARY OF THE CLUB, BUT IN THE LAST TEN YEARS, WE HAVEN'T MADE A CUP FINAL. THAT IS SOMETHING WE WANT TO ACHIEVE, AND NOW THERE IS AN OPPORTUNITY FOR US TO DO THAT. WE ABSOLUTELY WANT TO MAKE THE MOST OF IT, JUST LIKE EVERY COMPETITION WE ENTER," THE MIDFIELDER SHARED WITH FPF.

Trying to explain why his near-all-conquering side has not managed to appear in a Federation Cup Final in the past decade, Piscioneri spoke about how the group's obsessive chase for league championships has often come at the expense of competitions like the Federation Cup. With a deeper squad and increased attention placed on fitness over the off-season, Piscioneri believes his side entered 2023 perfectly placed both physically and mentally to challenge for all available silverware.

"DOING THAT (THREE CONSECUTIVE LEAGUE TITLES FROM 2018 TO 2020) TAKES A LOT OUT OF YOU PHYSICALLY, BUT YOU NEED TO BE STRONG MENTALLY AS WELL; THAT'S WHY YOU OFTEN FIND THAT BEING IN MULTIPLE COMPETITIONS, AND THE FOCUS IS THE CHAMPIONSHIP, [IT] CAN AFFECT THOSE OTHER COMPETITIONS. THIS YEAR WE STARTED REALLY WELL, AND WE'VE TRIED TO HAVE THAT STRONG MENTALITY THROUGHOUT TO ENSURE WE GO FAR IN ALL COMPETITIONS," PISCIONERI ADDED.

In Saturday's decider, fellow North Eastern powerhouse the MetroStars will meet Campbelltown. Danny Graystone's side has only lost twice in 2023.

MetroStars' blistering form and James Temelkovski's prolificacy are just some of the concerns for Campbelltown. But they have also lost their last five encounters against their North East neighbours. Two defeats have come this season, with the streak stretching back to 2021.

Piscioneri admits he has been impressed by Danny Graystone's overhauled MetroStars side but believes Campbelltown's best is good enough to overcome them. MetroStars midfielder Fabian Barbiero told Front Page Football that his side's recent winning streak against Campbelltown may give them a mental edge. But Piscioneri insisted that his side is not concerned about the record and they are simply looking forward to the next game.

"I DON'T REALLY LOOK BACK; WE ALWAYS LOOK TOWARDS THE NEXT GAME. WE NEVER TAKE THOSE HISTORICAL GAMES AS SOMETHING TO EXPECT COMING INTO A MATCH; WE ALWAYS LOOK FORWARD TO THE NEXT GAME AND HOW WE CAN IMPROVE HEADING INTO IT," PISCIONERI SAID.

"I WASN'T AWARE OF THAT RECORD, BUT IT IS SOMETHING WE DON'T THINK ABOUT. WE KNOW OUR BEST IS GOOD ENOUGH, AND THAT IS WHAT WE WILL WORK TO ACHIEVE."

Piscioneri believes Campbelltown must play their game and make the MetroStars uncomfortable to give themselves the best shot at victory. Should the Red Devils disrupt their fancied opponents, they have enough big-game experience and firepower to seal the club's first Federation Cup in 29 years.

"WHAT HAS ALWAYS WORKED BEST IS TO PRESS HIGH AND MAKE SURE METRO IS NOT ALLOWED TIME ON THE BALL; GIVING THEIR PLAYERS TIME ON THE BALL IS NOT WHAT WE WANT. WE WANT TO PRESS HIGH AND PUT THEM UNDER THE PUMP. ON OUR SIDE, WE WANT TO PLAY THE BALL WITH CONFIDENCE AND PLAY IT FORWARD TO GIVE THE BEST OPPORTUNITY FOR OUR GOAL SCORERS LIKE MARC MARINO AND ANTONI TRIMBOLI TO PUT THE BALL IN THE BACK OF THE NET," PISCIONERI SAID.

"MENTALLY, YOU GO INTO A CUP FINAL LIKE ANY OTHER GAME. WE HAVE BEEN THROUGH IT BEFORE WITH ALL THE FINALS WE HAVE PLAYED IN OVER THE PAST TEN YEARS. WE KNOW WHAT TO DO, WE KNOW WHAT TO EXPECT, AND WE WILL BE READY."

For most sides, a couple of years appearing in the Finals Series without a trophy would not raise eyebrows. But for Campbelltown, there is a sense of being overdue for silverware after last bringing a trophy home at the end of the 2020 season.

"AS YOU CAN SEE FROM OUR RESULTS THIS YEAR, WE ARE READY TO GET BACK ON THE WINNING LIST WHEN IT COMES TO THESE MAJOR HONOURS. WE ARE ALWAYS AROUND THE MARK, BUT WE WANT TO BE NUMBER ONE," PISCIONERI STATED.

After winning every trophy available in South Australia multiple times, apart from the Federation Cup, the midfielder and his teammates are ready to add the missing trophy to their collection. Piscioneri knows how much it would mean to the community.

"IN THE LAST TEN YEARS, I GUESS THAT (THE FEDERATION CUP) IS THE ONE THAT IS MISSING. OVER CAMPBELLTOWN'S HISTORY, THE CLUB HAD NOT WON MUCH BEFORE 2013, SO WE WANT TO WIN IT," HE SAID.

"WE WANT THE CUP; WE WILL GO THERE TO WIN AND DO THE BEST WE CAN. IT IS SOMETHING THAT CAMPBELLTOWN WILL CHERISH; THE PLAYERS WILL CHERISH IT; IT IS A LIFE-LONG MEMORY WHEN YOU WIN THESE FINALS."

Having been involved with the club since he was five years old, Piscioneri can view the on-field success from the perspective of other club stakeholders who have put their time and effort into this project. The midfielder shared that the closeness of the individuals that have stuck together during the decade-long, success-laden journey is why Campbelltown remain a powerhouse competing for silverware all these years later.

"WE KNOW HOW MUCH IT MEANS TO OUR CLUB MEMBERS, TO OUR COMMITTEE MEMBERS, TO OUR CHAIRMAN DON LEOMBRUNO, AND EVEN OUR VOLUNTEERS. A LOT OF WHAT WE DO IS FOR THOSE TYPES OF PEOPLE; WE KNOW HOW MUCH IT MEANS TO EVERYONE INVOLVED. BUT EVEN FOR THE PLAYERS, I HAVE BEEN INVOLVED AT CAMPBELLTOWN SINCE I WAS FIVE, SAME AS MARC MARINO. WE LOVE THE CLUB AND ALWAYS WANT TO SEE IT SUCCEED," PISCIONERI SAID.

"THAT IS THE GOOD THING ABOUT CAMPBELLTOWN; THE CORE GROUP IS ON THE SAME WAVELENGTH; WE ALL WANT TO SUCCEED, WE ALL WANT TO WIN, AND THAT IS IMPORTANT BECAUSE, AT THE END OF THE DAY, WE ALL WANT TO ACHIEVE GREAT THINGS FOR THIS CLUB."

Campbelltown City will attempt to break their hoodoo against the MetroStars this Saturday afternoon and add the final piece to the trophy puzzle assembled over the past decade with a Federation Cup.

VETERAN BARBIERO FEELING VINDICATED AS THE METROSTARS PUSH FOR CUP SILVERWARE

At 39, Fabian Barbiero is still pulling strings in the MetroStars midfield, as he has done for the past decade. In the lead-up to his side's clash against Campbelltown City in the Federation Cup Final, the midfielder spoke to Front Page Football about his enjoyment of continuing his career in 2023.

The MetroStars ended the 2022 NPL SA season in heartbreak, losing their semi-final 6-5 on penalties to eventual Grand Finalists, the Adelaide Comets. Astoundingly, the most experienced player on the park, Fabian Barbiero, with experience playing for Adelaide United and the Socceroos, sent his side's opening spot-kick way over the target.

The Comets later missed a penalty, but when Daniel Vaughan saved Alessio Melisi's spot-kick to ensure his side advanced, Barbiero felt partly responsible. The midfielder was candid when speaking to Front Page Football and shared that in the twilight of his career, he considered retiring following that fateful match.

"IT WASN'T ONE OF MY PROUDEST MOMENTS, MISSING THAT," BARBIERO SHARED WITH FPF. IT WAS QUITE HEART-BREAKING, WE WERE THAT CLOSE, BUT UNFORTUNATELY, WE FELL SHORT AGAIN. I ALWAYS WANT TO WIN AND BETTER MYSELF, NO MATTER MY AGE AND WHERE I'VE PLAYED. IT SORT OF TOOK IT OUT OF ME MENTALLY AND MADE ME THINK, 'AM I READY TO HANG THEM UP, OR DO I GO ANOTHER SEASON?'"

Incoming head coach Danny Graystone was keen to hold onto Barbiero after losing multiple experienced players to retirement and outgoing transfers. Graystone explained to Barbiero that even if he does not play most games, his presence around the group, experience, and leadership would be valuable enough.

The midfielder was convinced to sign on for another year, and his new coach's request for him was simple: get into the best shape possible heading into the season. Barbiero clarified to Graystone that he did not want to be handed opportunities. Instead, he preferred to earn his spot in the side.

"I SAID THAT I DON'T WANT ANY HANDOUTS BECAUSE I HAVE NEVER BEEN THAT TYPE OF PLAYER. I WANT TO EARN MY POSITION, AND THAT WAS SOMETHING I NEEDED TO DO PERSONALLY, A CHALLENGE TO MYSELF TO PROVE TO PEOPLE WHO THOUGHT THAT I WAS DONE WRONG. I WANTED TO PROVE THAT I STILL HAD ENOUGH LEFT IN THE TANK THIS SEASON," HE SAID.

Despite admittedly having moments during a gruelling pre-season in the blistering Adelaide summer that made him question his decision to continue, Barbiero made it through and is having a season to remember.

Barbiero has featured in 20 of his side's 21 matches in the league and cup, starting most. He has also recorded a career-best return in front of goal, scoring four in 2023.

Having spent most of his time with the MetroStars as a holding midfielder, season 2023 shows that an old dog can learn new tricks. After a conversation with Graystone, Barbiero has reinvented himself as an influential attacking midfielder.

"I HAD A CHAT WITH DANNY, AND WE MADE THE DECISION TO SORT OF PLAY ME HIGHER UP THE PARK AND A BIT CLOSER TO GOAL. I AM ENJOYING THAT ROLE, AS SORT OF A 10, CLOSE TO THE GOALS AND CLOSE TO JAMES TEMELKOVSKI," HE SAID. BUT IT COMES DOWN TO THE WHOLE TEAM AS WELL; I AM GETTING INTO SOME GOOD POSITIONS, AND THE BOYS ARE DOING WELL TO GET THE BALL INTO THOSE AREAS. I AM ECSTATIC TO BE ABLE TO HELP THE TEAM WHERE I CAN."

Barbiero admits he has even surprised himself with his durability and performances at the advanced stage of his career. With his side leading the NPL SA, making the Federation Cup Final, and returning to the Australia Cup Round of 32, the midfielder is grateful for Graystone's trust after taking over the role.

"I'VE BEEN VERY FORTUNATE THAT DANNY HAS GIVEN ME AN OPPORTUNITY; I'VE TAKEN IT, AND I'VE SURPRISED MYSELF AND THE COACHING STAFF AS WELL THAT I AM STARTING SO REGULARLY," BARBIERO SAID.

I AM VERY MUCH ENJOYING MY SEASON THIS YEAR; WE HAVE A GREAT BUNCH OF GUYS, AND THIS TEAM IS EXTRAORDINARY. SOME OF THE FOOTBALL WE PLAY MAKES ME WANT TO PLAY EVEN LONGER!"

(ADAM BUTLER/@8ZEROKMS)

The Federation Cup Final sees Barbiero's MetroStars take on Campbelltown City. It's a battle of the North East and between the two best sides in the NPL SA right now. The MetroStars are only three points ahead of the Red Devils, who are second. But Campbelltown is a whopping ten points ahead of third-placed Adelaide United Youth.

"THEY ARE A TOP SIDE, AND IT HAS [BEEN] SHOWN THIS SEASON. THEY ARE SECOND AND ONLY BEHIND US BY A FEW POINTS; THEY ARE A STRONG, QUALITY SIDE, AND WE KNOW THAT," BARBIERO SHARED. THEY'VE GOT QUALITY ALL OVER THE PARK, DANGEROUS PLAYERS LIKE YOHEI MATSUMOTO, ALEX MULLEN, WHO IS OBVIOUSLY THEIR DRIVING FORCE, THEIR ENGINE IN THE MIDFIELD..

...YOU HAVE TO PAY ATTENTION TO THOSE SORTS OF PLAYERS, BUT WE JUST HAVE TO CONCENTRATE ON OUR GAME, KNOW WHAT WE CAN DO AND WHAT WE CAN CONTROL. WE HAVE OUR GAME PLAN, AND IF WE STICK TO IT, WE CAN ACHIEVE A WIN."

Despite being close on the league table, MetroStars have dominated their counterparts in recent meetings, winning their past five encounters against Campbelltown, including the two this season. The winning streak stretches back midway through the 2021 NPL SA season, and Barbiero thinks it might give his side the edge heading into Saturday's big day.

"GETTING THAT WIN AT HOME IN THE THIRD ROUND AGAINST CAMPBELLTOWN SENT A STATEMENT, AND THEN TO GO AND BEAT THEM AT THEIR HOME GROUND LATER IN THE SEASON WAS OBVIOUSLY A GOOD FEELING," HE SAID.

IT IS A BIT OF A MENTAL GAME AS WELL; WE HAVE THAT MENTAL EDGE ON THEM THAT COULD POTENTIALLY HELP US IN THE CUP FINAL. BUT ANYTHING CAN HAPPEN; FOOTBALL IS A VERY FUNNY SPORT. WE JUST HAVE TO PREPARE LIKE WE HAVE, WEEK IN, WEEK OUT, AND WHEN GAME DAY COMES, DELIVER WHAT WE KNOW WE CAN."

The last time the MetroStars lifted silverware was in 2017, when they won the Federation Cup. The club has been close in recent years, but Barbiero believes the changes made over the off-season helped take the team to the next level and prepare them to break their silverware slump.

"WE'VE ALWAYS HAD A REALLY STRONG SQUAD AT METROSTARS, BUT THIS YEAR WE HAVE ADDED SOME MORE QUALITY, ALONG WITH DANNY IN THE COACHING STAFF. WE SET OUT SOME GOALS WE WANTED TO ACHIEVE THIS SEASON, AND OBVIOUSLY, THE CUP WAS ONE OF THEM," HE ADDED.

"JUST HAVING THAT FRESH COACHING STAFF, AND OBVIOUSLY SOME CHANGES AROUND THE CLUB LIKE THE NEW PLAYERS THAT HAVE COME ON BOARD. WE HAVE ALWAYS HAD A WINNING CULTURE, BUT THAT BELIEF NOW THAT COMES WITH HOW WE HAVE BEEN PLAYING HAS THE BOYS RIDING THIS WAVE, AND IT IS GETTING THE BEST OUT OF EVERYBODY."

In his long spell at the MetroStars, Barbiero has been a part of multiple successful sides. But along with the players, the midfielder understands how important winning silverware is for a community-backed club like his own.

"THE CLUB IS QUITE PROUD OF ITS ACHIEVEMENTS, AND A LOT OF WORK GOES INTO RUNNING THE CLUB WITH THE VOLUNTEERS AND THE COMMITTEE. IT IS SOMETHING THAT IS NICE TO BRING BACK FOR ALL THE HARD WORK EVERYONE DOES DAILY, WEEKLY, MONTHLY, AND YEARLY. IF WE CAN GIVE SILVERWARE AS A REWARD FOR THAT EFFORT, IT IS VERY REWARDING FOR THE CLUB ITSELF," HE SAID.

The MetroStars will aim to win their first trophy in six years and continue their winning streak over Campbelltown City when the two sides clash at Service FM Stadium in the Federation Cup Final on Saturday afternoon.
