2023 BARRY MANEY LIMESTONE COAST PREMIER LEAGUE GRAND FINAL

by Chris Fleetwood
Chief Executive Officer of LCFA

Welcome to the 2023 Barry Maney Premier League Grand Final.

This is the first edition of our new league, which promises to be an exciting contest between the two best teams throughout the Home and Away season.

Centrals started the season aiming to achieve a three-peat premiership feat. Unfortunately, this hasn't come to fruition, with International and Apollo competing for premiership honors. International, the perennial winners, are once again trying to etch their name back on the trophy, while Apollo, who haven't achieved this feat in many years, hopes to overcome the challenge.

It's set up for an epic contest, and I'm sure you will all have a wonderful day. We all look forward to an entertaining match with plenty of goals and a hard-fought contest.

Congratulations to our officials who have performed admirably all season; without them, none of the games would have happened, so please treat them with respect.

Lastly, congratulations to both clubs, their coaches, and players for reaching this marvelous occasion. To all our supporters who have joined us today to be a part of this event, we thank you.
