It represents Football South Australia's commitment to players, volunteers, and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

1.2. This policy will help to ensure Football South Australia:

- 1.2.1. Meets its duty of care in relation to the health and safety of Football South Australia players, volunteers and visitors who attend any Football South Australia games, special events, functions, and other activities where alcohol may be consumed.

- 1.2.4. Complies with and obtains the required South Australian Liquor Licence.

1.3. Football South Australia recommends this policy to all affiliated clubs and associations and whilst recognising the autonomy of the affiliated clubs and associations, recommends that it be adopted by them.

2. Rationale

Football South Australia recognises the legal responsibilities and the financial and social benefits of holding and/or operating a liquor licence* in the community. Level 3 Accreditation under the *Good Sports* program requires us to implement practices and policies regarding the responsible management of alcohol. As such, Football South Australia will adhere to liquor licensing laws* and the criteria of the *Good Sports* program.

3. General Principles

- 3.1. A risk management approach will be taken in planning events and activities involving the sale, supply, or consumption of alcohol. Such events and activities will be conducted and managed in a manner consistent with liquor licensing legislation and this policy.
- 3.2. Alcohol misuse can lead to risk taking, unsafe, unacceptable, and/or illegal behaviour. Excessive consumption of alcohol will not be an excuse for unacceptable behaviour, particularly behaviour that endangers others or breaches the law, this policy, or any other policy of the Football South Australia.

4. Conduct Expectations

Whilst engaging in activities, players, volunteers, and visitors:

- 4.1. Will accept responsibility for their own behaviour, take a responsible approach and use good judgment when alcohol is available.
- 4.2. Will encourage and assist others to use good judgment when alcohol is available.
- 4.3. Will not compete, train, coach or officiate if affected by alcohol.
- 4.4. Will not provide, encourage, or allow people aged under 18 years to consume alcohol.
- 4.5. Will not participate, pressure anyone or encourage excessive or rapid consumption of alcohol (including drinking competitions).
- 4.6. Will not post images on social media of themselves or others drinking alcohol irresponsibly at Football South Australia-related activities.

5. Alcohol Management

Football South Australia will ensure that:

- 5.1. A current and appropriate liquor licence* is maintained.
- 5.2. Football South Australia's liquor licence* is displayed in not less than A4 in size as near as practical to the entrance of the clubroom or beside the bar/canteen (as required by relevant state law).
- 5.3. All required liquor licence* signage will be displayed in each area covered by the Football South Australia's licence*.
- 5.4. The names of Responsible Service of Alcohol (RSA) trained personnel must wear an ID badge at all relevant times when acting in the role.
- 5.5. Servers of alcohol will not consume alcohol when on duty.
- 5.6. Information posters about '[Standard Drink measures](#)' will be displayed prominently near where alcohol is served.
- 5.7. Hot and cold food, where possible will be available for sale when alcohol is available. Healthy food options will be provided, where possible.

6. **Service of Alcohol**

Alcohol will be served according to Football South Australia's liquor Licence* with the safety and well-being of people being the priority at Football South Australia events. Football South Australia will be required to ensure:

- 6.1. Only RSA trained bar servers with current qualifications will serve alcohol.

- 6.4. The service of double measures of spirits is discouraged.
- 6.5. People aged under 18 years do not serve alcohol.
- 6.6. Excessive or rapid consumption of alcohol is not encouraged. This means Football South Australia as a general rule, will not conduct happy hours, cheap drink promotions or drinking competitions.

7. **Intoxicated People**

For the purposes of this policy, a person is defined as in a **state of intoxication** if his or her speech, balance, co-ordination or behaviour is noticeably affected and there are reasonable grounds for believing that this is the result of the consumption of alcohol.

- 7.4. If a person becomes intoxicated (and is **not** putting other people at risk with their behaviour) the person will not be served alcohol but will be provided with water and options for safe transport home, where available.
- 7.5. If a person becomes intoxicated (and **is or is likely to put** other people at risk due to their behaviour) the person will be asked to leave the premises immediately and offered safe transport options, where available. Police may also be contacted to remove the person, if required.
- 7.6. Any alcohol-related incident and any action taken will be recorded in Football South Australia incident register.

Accordingly, Football South Australia implements a Safe Transport Policy that is reviewed regularly in conjunction with this Alcohol Management Policy. Football South Australia ask that all attendees at Football South Australia functions plan their transport requirements to ensure they arrive home safely and prevent driving under the influence of alcohol.

12. Awards/Prizes

Football South Australia will avoid providing awards (e.g., at end of season presentations) and fundraising prizes that have an emphasis on alcohol as a reward.
