GENERAL INFORMATION

1. Hall of Fame Principles

Football South Australia provides that the Hall of Fame Honour may be granted in recognition of services rendered to the sport.

The Football SA Hall of Fame recognises both on and off field achievements for eminent service or contribution in any area of football activity in South Australia

2. Process

2.1 Application Form

The nominator must complete the prescribed form detailing why the nominee should be inducted into the Hall of Fame. The form must be forwarded to Football South Australia.

2.2 Evaluation by the FSA Awards and Honour Committee

Nominations will be passed to the FSA Awards and Honour Committee (a sub-committee appointed by the Football South Australia Board). The Sub-Committee will consider each nomination and make a recommendation to the Board as to whether the nominee should be considered into the Hall of Fame. The Sub-Committee may request additional information from the nominator if doing so would assist its deliberations.

2.3 Final Consideration by the Board

The Board will consider the recommendations of the FSA Awards and Honour Committee and will either endorse or not endorse the nominee to be inducted into the Hall of Fame.

3. Criteria for the Hall of Fame

The system and criteria for the hall of fame induction process will be one level with two separate but equivalent categories for both "on the field" and "off the field" contributions.

- HALL OF HONOUR - Off the field
- HALL OF CHAMPIONS – On the field

Awarded for eminent service or contribution, either ON or OFF the field, in any area of football activity in South Australia. The Award is the highest recognition which can be given for a CONTRIBUTION or PERFORMANCE to the game of football in SA.

Outstanding contribution as an Administrator, Official or other non-playing capacity will be recognized in the Hall of Honour, while outstanding performance on the playing field in an SA representative capacity will be recognized in the Hall of Champions.

The Award recognizes a contribution or performance which is far above and beyond what would normally be expected of the player or non-player. This Award recognizes a non-player whose contribution has achieved South Australian State recognition and/or has been involved at a level of commitment and dedication seldom seen, or a Player who has represented Australia and/or South Australia at Senior Level on a significant number of occasions or a combination of other items.

This Award can recognize those persons whose contributions have been selfless in the development of football in South Australia from the grass-roots level upwards and who have earned the admiration and respect of those around them for the contribution to the South Australian Football Community.
