As we reflect on 2024, we are filled with immense pride and optimism for the future of football in South Australia. Football remains the leading choice of sport for boys and girls across the nation, reflecting the global passion for this beautiful game and reaffirming our belief in its ability to unite and inspire communities.

This year, our football community witnessed remarkable achievements, both on and off the pitch. Every player, coach, volunteer, and supporter played a part in making 2024 a memorable season. Congratulations to all competing teams across all competitions in South Australia and the standout achievements in our local football community.

West Adelaide had an incredible season, taking out both the 2024 Go Sunny Solar Women's Premiership and the Cup. However, in the 2024 Championship final, it was Salisbury Inter who came out on top, clinching the title in a thrilling contest.

In the National Premier League, MetroStars were crowned the 2024 Premiers after an exceptional season. Campbelltown City took the spotlight by claiming both the Federation Cup and the Grand Final to be crowned 2024 Champions.

The journeys of Modbury Jets and Campbelltown City in the Australia Cup Final Rounds were truly inspiring. Their fantastic achievement in making it through to the Round of 32, further showcases the strength of South Australian Football on the national stage.

Looking ahead, Football South Australia is committed to fostering a supportive environment for all participants—families, players, coaches, referees, volunteers, and fans alike. We remain focused on enhancing our competitions and facilities to ensure continued growth and success across the state.

In 2025, Football South Australia will launch a Coach Education Fund, which will offer a free coaching conference, provide partial funding for the C Diploma, and introduce a coach exchange program in partnership with Adelaide United and PSV Holland.

The Prize Money Package for the National Premier Leagues, State League, Federation Cup, and WNPL/WSL Cup has been increased across all competitions. This marks a significant step toward closing the gender parity gap and represents the largest prize package ever offered by a member federation.

We extend our heartfelt gratitude to the local and federal governments for their continued support of our game, as well as to our corporate partners, clubs, associations, match officials, committees, boards, and the countless volunteers who selflessly dedicate their time and effort. Your contributions form the backbone of football in South Australia.

We also wish to express our deep appreciation to our Board members for their leadership and governance, as well as to the staff at Football South Australia for their hard work and commitment to achieving positive outcomes for our sport.

As we prepare for the 2025 season, we look forward to building on these achievements and creating new memories. On behalf of Football South Australia, we wish all clubs and associations a successful and exciting season ahead.

SOUTH AUSTRALIAN RECIPIENTS

The inaugural induction of the National Football Hall of Fame was in 1999 and consisted of three levels and six different categories for induction. It took into account the involvement of individuals in the game dating back to 1880. In 2009 the FFA changed the induction process to cater for only one level and two categories, Hall of Honour for non-players and Hall of Champions for players.

In 2022 Football Australia did away with all categories including the ones which had been allocated previously. Induction into the National Hall of Fame is simply that.

Up to and including year 2024 there are 26 South Australians who have been honoured at the highest level, with induction into Football's National Hall of Fame.
